

SAINT DORMITORY PRAYER GROUP

Please pray with us for the denizens of Saint
We meet in Blanchard 222 at chapel time on Thursdays.

JUST KILL RELATIONSHIPS

I think Wheaton needs a new acronym.. call it an RKT (relationship killing talk). You know how a plant gets healthier when you snip off its dying leaves. I think it's the same way for people. What's the point of trying to be polite when you're just wasting breath and possibly hurting someone. If you don't want to associate with someone, you should be able to go up to them and take care of it with an RKT.

Pray specifically that:

- * local doctors and medical organizations would be generous in their donation of Prozac and other antidepressant medication.
- * Satan's power would lose its hold over the Saint building structure such that it would stop sinking down into the earth, towards the very center of hell.
- * the exposed pipes would crumble under the weight of those who try to hang themselves on them

Pray specifically for:

- * those under the momentous burden of being an RA over such a desolate wasteland
- * Saint alumni, that the memories of that wretched place would remain repressed.

The dean has provided us with a list of those blotted into the Saint-asylum, so in the span of two months we pray over each individual denizen by name.
