Ugly guy gets no answer after asking a girl why she didn't talk to ugly guys

"You should always forgive your enemies. This will relieve them and cause them to relieve themselves all over you."

Ugly to Tack Day on to February

Researchers from the Gargoyle Group have decided that since they can't kill Valentines Day, the might as well try to jump over it. A decision has been made to wipe this heartless day off the calendar and end February a day later. "We celebrate Aesthetically Distinctive Day on February 15 by going bowling and eating 75 oz. steaks and other stuff like that." While the ugly have drawn criticism from international bodies for having a calendar that puts them a day ahead of everyone else for half of February, they quickly redeem themselves by pointing out northern Indiana's lack of daylight savings time.

Small Man Protests Chapel Seating Arrangement

I know they usually have some devious way of separating the women from the men but I think this is going a little too far. Coming in and finding the guys and girls on separate sides of the chapel like a Puritan church service was bad enough. I got stuck in the balcony but I could recognize a few of my Traber floor mates down below. Anyway the sermon was really boring so I got to thinking about the seating arrangement scheme. And this crazy idea just hit me by accident but the preliminary data checked out. When my chapel buddy asked me about the seating arrangement, I just said "the longer you don't know, the better". And as the weeks went by my suspicions were confirmed as more girls were talking to guys sitting towards the front. I told the dean that i get humiliated enough looking up at the BGC, now they're doing this...

Pretty people Go to Heaven, Ugly People Go to Hell..

Heaven (AP) "God wants to spend a lot more time with those he spent a little more time on." Archangel Kim stated. At 2:06 AM the Universal and Accepted Church of the Willow was given this memo along with a gag order against explicitly stating it.
